About the owner and founder, Salvatore L. D’Aniello:

- Amsterdam High School graduate, 1990
- Union College graduate, BS Civil Engineering, 1994
- EPA - Lead Based Paint Renovators Certified
- OSHA trained; forklift & lull operator certified
- Over 30 years of construction experience
- Over 500 million dollars in direct project management and construction projects
- Highly skilled in estimating, management, and direct construction work
- Works directly with clients and customers as the single point of contact

Our mission statement:

“We believe in everything we do to achieve total client satisfaction with honest, reliable services and solutions. We are committed to maintaining the highest quality workmanship and excellence in our construction practices.”

Why PURO?

PURO was derived from the owner’s Italian heritage from a European word meaning **PURE**. We do what we say and mean it, the right way. We are **P**ersistent in our **U**nderstanding of our clients’ needs while providing **R**eliable solutions and **E**xcellence in project delivery.

We, as an experienced and dedicated team, have the knowledge, skill, and commitment to provide any of your construction needs. Give us a call or stop in at our new office on Route 30, Amsterdam, NY for a free consultation.

Salvatore L. D’Aniello
President & Founder
